This event is a fundraiser for the MCC Scholarship Fund. Each year MCC funds a scholarship for an engineering student through MSPE and for one or two apprentice concrete finishers. Approximately $20 from each registration goes directly to the scholarship fund.

Matt Fournier (center) is congratulated by MCC Past-President, Dave Meyer (L) and current MCC President, Keith Jacobson (R)

Brian Farmer (center) is congratulated by MCC members Brad Klein (L) and Tom Reger (R)

This year's MSPE scholarship in the amount of $3,500 was awarded to UMD engineering student, Matt Fournier. The concrete finisher scholarship was awarded to Brian Farmer who is employed by MCC member McGough. Farmer received a gift certificate from MCC in the amount of $500 to be used to purchase tools from MCC member company White Cap Supply. (Each year a different MCC member contractor supply company is chosen to provide the tools paid for by MCC to the scholarship winner.)

Golf is a game in which you yell "fore..."
Shoot six... and write down five...
